- 14.2. Upon receiving the quote from GO Markets, the Client may offer to enter into a financial product transaction with GO Markets at the price quoted by GO Markets.
- 14.3. Upon receipt of the disputed detail, GO Markets will investigate the dispute and with the co-operation of the Client, will endeavour to resolve the dispute in good faith. Notwithstanding any such dispute, the Client will continue to satisfy any obligation to pay Margin calls made by GO Markets in respect of the transaction as if the deal confirmation was correct and its details were not the subject of dispute.
- 14.7. In its absolute discretion, GO Markets reserves the right to limit the value of financial product transactions the Client may have outstanding under these Terms & Conditions. Should the Client wish to enter into any further financial product transactions, the Client must seek and obtain approval from GO Markets, which it may grant or refuse in its absolute discretion.
- 14.8. In certain circumstances, the price we set may be different from the current market price of the Underlying Asset, and/or another issuer of Margin FX, CFD, or Binary Option contracts.

In particular:

- Where Out of Hours Trading is available and we set the prices at which we are prepared to deal with you; and/or
- If we cannot determine a price because trading in the Underlying Market/Asset is limited, suspended, and/or a price cannot be determined by our Liquidity provider(s), then the price will be the price:
 - immediately preceding such limitation; and/or
 - determined by us in our absolute discretion, acting reasonably, but having regard to the prevailing market conditions affecting trading as a whole.
