

Terms & Conditions - 30% Trading Credit Bonus Promotion

For a limited time only, fund your GO Markets (“we, our, us”) MT4 live trading account with any amount between **\$1,000 - \$20,000** (or your trading account currency equivalent) and receive 30% of your original deposit as trading credit bonus (“**Credit Bonus**”). For every standard FX or Metals contract you buy or sell, we will convert \$2.00 (or your trading account currency) of your Credit Bonus into cash. For every standard Index or Oil contract, we will convert \$0.10 (or your trading account currency) of your Credit bonus into cash. The converted Credit bonus appears as your ‘balance’ in your MT4 platform.

A Credit Bonus is not ‘Cash’ until such time it is transferred from your ‘Credit’ to the ‘Balance’ area of your account.

1. How it works:

- 1.1. Firstly, you must ‘opt in’ to the promotion by completing the online form (<https://www.gomarkets.com/30-deposit-bonus/>). You must opt-in separately for each account you have.
- 1.2. Deposit at least \$1,000 (or your account currency) into your new or existing trading account.
- 1.3. Each time you trade, a portion of your Credit Bonus will be transferred to your cash balance at a rate of \$2.00 per standard contract on FX and Metal, or part thereof; and \$0.10 per standard contract on Index and Oil, or part thereof
- 1.4. You will then receive 30% of the amount that you have deposited in your Credit balance.

2. Terms and Conditions

Terms & Conditions are to be read in conjunction with GO Markets’ General Terms & Conditions and Product Disclosure Statement.

- 2.1. This promotion is available between 6 July to 15 September 2020 only, and only available to clients who have opted in during this period.

- 2.2. A Credit Bonus is credited into your trading account within 24 business hours after your deposit is received.
- 2.3. This promotion is limited to \$6,000 (or your account currency) per client account. Limits may be increased at our discretion.
- 2.4. Clients have until 30 September 2020 to convert their Credit Bonus into Cash. Any remaining Credit Bonus will be removed from your trading account from 1 October 2020, although we may extend the promotion without notice.
- 2.5. A Credit Bonus cannot be withdrawn. The unused portion of a Credit Bonus will be removed if the original deposit is withdrawn.
- 2.6. Because of the Credit Bonus, a margin call is issued in two stages. Firstly, when the sum of your cash balance and running losses (“**Account Equity**”) is less than, or equal to the Credit Bonus, any unused portion of your Credit Bonus will automatically be removed.

Secondly, and upon removal, your positions will be closed in order of largest loss. This occurs because your Account Equity is lower than 50% of your margin requirement, in accordance with our margin call policy.
- 2.7. The conversion of Credit Bonus to cash occurs automatically as you trade, in accordance with Item 1.3.
- 2.8. For accounts denominated in a currency other than Australian dollars, the below reference rates are used to determine the rate in which we transfer Trading Credit Bonus to cash. Note: these rates are subject to change.

Per Standard Contract	AUD	USD	GBP	EUR	NZD	SGD	CHF	CAD
